President's report

Welcome everyone to this month's Bulldust

Firstly I'd like to apologise for missing this last club meeting, but trust me I paid dearly for it .

I unfortunately had to go to a break down on the Sunshine coast and did not return home to nearly 9pm and as you all know I had been working flat-out on my car getting it ready for Rover Park ,well it was all finished so I decided I'd go and fuel up ready for the trip ,unfortunately I missed a corner and ended in the ditch after almost clearing a driveway culvert .I'm fine but the car is in a sad way (chassis, front diff, steering ,body mounts, two tyres ,rims and floor pan)Well I was running out of things to do on my weekends ha-ha.

Rover Battle of the States (Queens birthday) Another great weekend (bloody cold) but a lot of fun Cookie had his new car there he and Barb both competed in it (Barb has a new nickname Handstand we'll explain at the meeting) Andy B brought his cab cut, Nathan in his Bundy and Nick in his Hilux (less the muffler) and of cause Sadie in her car. Naomi, Colin, Angelique and I plus heaps of strays made up the support crews. The event this year had been made better for the spectators with a new play area consisting of wombat holes ,tyres ,rocks ,water holes ,and logs plus the hill climb ,creek run ,mud drags and mud run .Everyone had a great time with very little damage to car or man and the camp fire stories/jokes kept us up well into the night (hope to get some photos soon)

Well it's off to the shed with a resus unit and see if I can revive my car

See you at the meeting

P.S don't forget memberships are due

Editors Report

Hi all

Well another Financial year has passed and so will our clubs board.

I would like to personally thank all of the current and past Board members for the time they have donated to managing the club, it a thankless job at times but I assure you that the entire club appreciates the effort you and your family has made to keep our club running.

Regarding the Simpson Desert trip in August, I have spoken to the Motley Crew club members and attended the Clubs AGM last Friday night so I could catch up with the members and have a look at the photo's from the Simpson crossing.

Apparently the Desert is currently quite green and should be covered in flowers, several creeks are still flowing and lakes are full, slowly draining but will still have quite a bit of water in the Desert so it will be interesting to see...

I can't Wait!

Andrew Thank you for the email, this is the sort of information that we need in the Bulldust so all members can know of what's going on with the many differing factions or our dynamic club, at this stage I intend on attending as a spectator or helper - see you there.

Afternoon Peter,

I would like you to mention that I am relocating to Cairns at the end of September, my last meeting will be the August meeting and I would like to thank all the members for their help during my 2 years at the club.
